

July 30, 2021

Dear Valued Stepping Stone School Families:

Since March 2020, Stepping Stone School has been here for our families! We have taken all necessary precautions, going above and beyond to keep our children and employees safe and healthy. We have provided our families with the peace of mind they need knowing their children are in loving and happy environments.

We have continued all safety, health and sanitation guidelines and requirements and will continue to do so for the foreseeable future.

Due to recent increases in infections in the Central Texas area, **we are very strongly suggesting all school age children wear masks while attending Stepping Stone School as of Monday, August 2nd.**

Children in our schools are excited to be with their friends! We know children learn best in environments that are both social and cognitive. Children in early childhood settings are interacting **SAFELY** with each other! Their development is enhanced because they grow and thrive with each other and our caring, kind, and thoughtful teachers and administrators. **We are here to provide comfort and stability to your child!**

Stepping Stone School is uniquely qualified with over 40 years of experience and degreed faculty to continue the loving care and education of your children. **We continue to move forward with courage, optimism and strength!**

Sincerely,

Rhonda Paver, M.A.
Owner and Executive Director
